

PLYWOOD CUTTING MACHINE FOR DIE BOARDS

Model TC-1218S-600

HSN CODE: 84659990

AD-6605 深绿 (Deep Green)

- 表面效果: 皱纹 (Wrinkle Texture)
- 烘烤条件: 200 °C × 10min
- 颜色特点: 深沉、稳重、高端工业质感

主色: AD-6605
深绿 皱纹

辅色: 哑光黑
(Matt Black)

装饰线条: 香槟金
(Champagne Gold)

Why Choose TC-1218S-600W?

600W Glass CO2 Laser Tube

1250 × 1850 mm Working Area

Panasonic Servo Motor

Fixed Optical Path

High Precision Screw Guide

CW-6200 Industrial Chiller

Technical Specifications

Parameter	Specification
Model	TC-1218S-600W
Machine Type	Die Board Plywood Cutting Machine
HSN Code	84659990
Laser Tube Type	Glass Laser Tube
Laser Wavelength	10.6 μm
Laser Power	600 W
Working Area	1250 mm × 1850 mm
Control System	ZY4311
Drive System	Panasonic Servo Motor
Transmission System	High Precision Screw Guide
Optical System	Fixed Optical Path
Focusing Mirror	Ø25-3
Reflector	Ø38
Cooling System	CW-6200 Industrial Water Chiller
Total Power	6 kW
Machine Weight	1500 kg
Power Supply	220V / 50Hz / 30A

Applications & Product Classification

Applications - Die Board Manufacturing - Corrugated Box Dies - Folding Carton Dies - Packaging Tooling - Sample Die Making - Plywood Profiling	Materials Processed - Plywood - Die Boards - MDF Boards - Acrylic Sheets - Rubber Sheets - Composite Non-Metallic Materials
---	--

Product Classification	
Product Name	Die Board Plywood Cutting Machine
Model	TC-1218S-600W
HSN Code	84659990
Country of Origin	China
Application	Plywood Die Board Processing
